Porfidio Single Cane Rum – 1998 vintage, Super Premium; Porfidio Anejo Single-Barrel-50ml miniature gift pack. Buyers seeking an alternative to ordinary rums available in travel retail will find Destileria Porfidio's new premium single cane rum in the spotlight at the TFWA this year.

Presented in a tall clear, hand-blown bottle, at the base of which is a distinctive glass palm tree. Porfidio Triple-Distilled Single Cane Rum was launched earlier this year in the Americas and is rapidly establishing a reputation among connoisseurs of top quality aged rum worldwide.

Distilled from only freshly pressed sugar cane juice using traditional methods, Porfidio Single Cane Rum is undiluted and 100% pure. Aged in ceramic fagons for five years the result is a delicate fresh cane flavour.

Ordinary rums on the other hand are made from molasses, a cheap by-product of refining. Even Single Cane Rum, and Single Barrel agave rum, can be sampled and enjoyed at the TFWA exhibition.
