At  
the

*Curaçao office it is a tradition that on every last Friday of the month we have our monthly happy hour. Usually the happy hour takes place at the office, in front of the CAS building. On April 1, 2005 we had a Mexican Happy hour in front of the CAS building and on May 27, 2005 we had our happy hour out of the office at Wet & Wild Beach Club.*

[CRISTINA DE FREITAS BRÁS]  
We started our Mexican happy with some corona beers and some Mexican tortillas. After a while the mariachi band came and entertained us with some Mexican tunes. We also had a mini tequila seminar in which Mr. Chehadi Eddine explained the method of tequila making/ tasting and elaborated on the difference in tequilas available... and then came the tequila tasting which gave everybody the chance to put their taste butts and nose to work. We had to smell the vanilla and the chocolate ... and then taste them.... hmmm.... we had the chance to try 2 kinds of Tequila Profidio. After that, the mariachi played some more songs.. and it was a fact.. the weekend had started.
