## A taste of tequila at Sam & Harry's in Newport Beach

April 10, 2008 *in print edition H-19*

### A TASTE OF TEQUILA

**The Newport Beach Marriott Hotel and Spa** is out to demonstrate that tequila can serve higher purposes than frat-party revelry. The hotel's restaurant, **Sam & Harry's**, is the venue for a tequila pairing dinner Wednesday. Cocktails infused with Porfidio tequila will serenade the four courses of chef Adrian Sbarna's (pictured) menu. The meal begins with seafood ceviche and salad, paired with fruity libations, followed by filet mignon with a sweet-tart tequila creation and flan with the Spanish sparkling wine, Segura Viudas Brut Reserva. \$75. **900 Newport Center Drive, (949) 729-6900; [www.newportstay.com](http://www.newportstay.com)**
